Director's Message

MR . ARUNENDRA DVIVEDI

As we approach the end of another remarkable year, I find myself reflecting on the journey we've undertaken together. The month of December is not only a time of festive celebrations but also a moment to express gratitude and share the joy of our collective achievements.

In this season of giving and reflection, I want to extend my heartfelt appreciation to each member of our SIS Certifications team. Your dedication, resilience, and hard work have been the driving force behind our success throughout the year. Together, we've faced challenges head-on and celebrated triumphs, fostering a spirit of collaboration and unity.

As we look back on the milestones we've achieved, I am proud of the innovative solutions we've brought to our clients, the positive impact we've made in our community, and the growth we've experienced as a company. It is your commitment to excellence that has set us apart, and I am excited about the limitless possibilities that lie ahead.

In the spirit of the holiday season, let us take a moment to appreciate the relationships we've built, the lessons we've learned, and the opportunities that await us in the coming year. May this festive season bring you joy, peace, and quality time with your loved ones.

I encourage each of you to embrace the spirit of generosity and kindness, both within our SIS family and in the wider community. Together, we can make a positive impact and contribute to the well-being of those around us.

As we bid farewell to 2023, let us enter the new year with renewed energy, optimism, and a shared commitment to reaching even greater heights. I look forward to the continued success and growth of SIS Certifications, fueled by the collective efforts of our dedicated team.

Wishing you and your loved ones a joyful holiday season and a prosperous New Year!

Warm regards,
Arunendra Dvivedi
Managing Director

Business News

Building Resilience with ISO 22301:2019

Organisations face various challenges that can disrupt their operations in today's rapidly changing and unpredictable business environment. It helps organisations tackle natural disasters, cyberattacks, pandemics, supply chain disruptions, and other unforeseen events that can have a significant impact on business continuity. ISO 22301 for Business Continuity Management Systems (BCMS) provides a structured framework for building resilience and ensuring business continuity.

ISO 22000: 2018 Safeguarding Your Business and Customers through Food Safety Standards

ISO 22000: Safeguarding Your Business and Customers through Food Safety Standards

Food safety is very important in the modern society. Customers have become more prudent about the quality and safety of the food they eat as a result of growing health and wellness knowledge and concerns. Consequently, companies in the food sector have to emphasize food safety and follow strict guidelines.

Understand the difference between Information Security and Data Privacy with ISO/IEC 27701:2019 Certification

Understand the difference between Information Security and Data Privacy with ISO 27701:2019 Certification

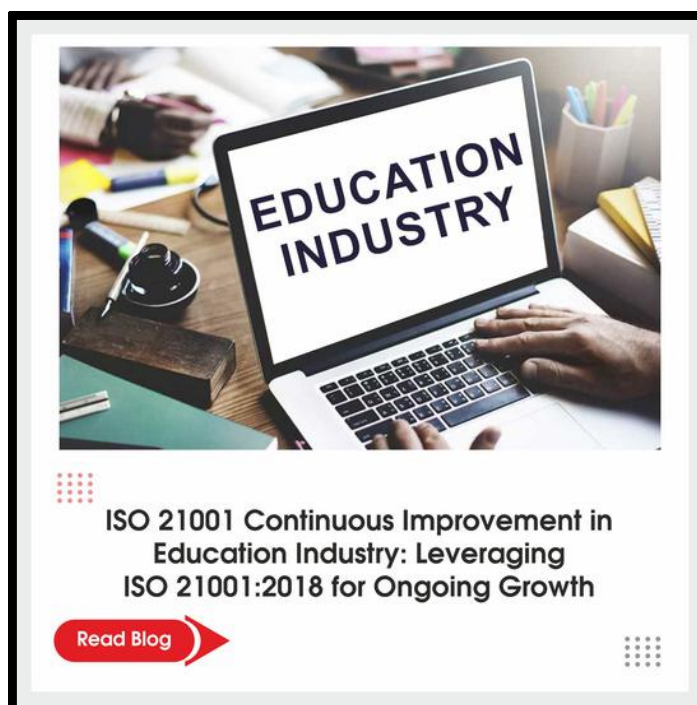

Information Security aims to adopt and implement all the necessary tools and measures to protect users' personal and confidential information. However, Privacy gives the right to individuals to handle their personal data by giving them control to decide who can view or use their valuable data assets.

21001 Continuous Improvement in Education: Leveraging ISO 21001:2018 for Ongoing Growth

ISO 21001 is a set of standards that apply to all educational organisations, regardless of size, kind, or location. To guarantee optimum compliance, the standard is particularly created for educational companies, considering elements such as complexity, maturity, and strategic direction and policies. An educational organization must be accredited with a quality management system, preferably based on the internationally known ISO 9001 standard, to fulfil the ISO 21001 requirement.

Words of Appreciation

Subject: Letter of Appreciation

Dear SIS Certifications Team,

Friday, December 1, 2023

We hope this letter finds you well. The purpose of this letter is to express our sincere appreciation for the exceptional service provided by SIS Certifications during the SOC 2 Type 1 and Type 2 process. Our experience as a first time customer has been truly outstanding, and we believe it is important to acknowledge and commend your team for their dedication to excellence during the process.

From the moment we first engaged with your company, we were impressed by the professionalism and courtesy of your staff. They were not only knowledgeable and efficient but also went above and beyond to ensure that our inquiries were addressed promptly and thoroughly.

In addition to the outstanding service, we would like to highlight the effectiveness of your communication channels, whether through email, phone, or online interactions, the communication from your team has been clear, transparent, and reliable. This has contributed significantly to a positive overall experience as a customer.

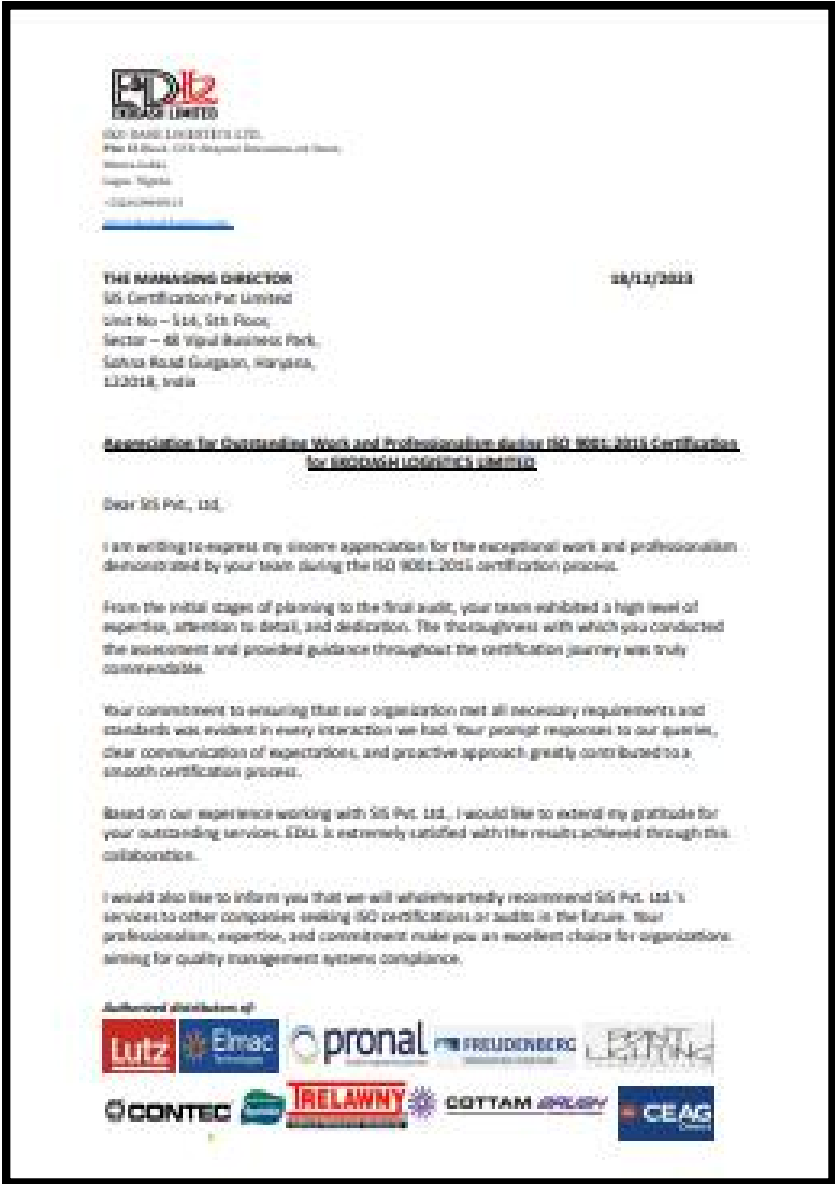

We believe that recognition is due when it is deserved, and we want to extend our gratitude to the entire SIS Certifications team for their hard work and dedication.

Thank you once again for your commitment to excellence. We look forward to continuing our relationship with your company and will not hesitate to recommend your services to others.

Sincerely,
Enidus USA, LLC

TO WHOMSOEVER IT CONCERNS

Our experience of working with SIS Certifications Pvt Ltd since over 5 years has been remarkable. Their Auditing during our certification and surveillance audits have always acted as an input for our improvement. Their invaluable support and guidance through the process are appreciable and praiseworthy. Moreover, the organisation was highly productive and attentive to minute details in every audit, which exhibits its commitment to the process. However, it will help us in building a long-term relationship with our clients and customers by delivering impeccable services to them.

Celebration Time

Merry Christmas!!

Birthday Celebration

Happy Birthday !!

Employee Testimonial

My Name is Lalit Aryan. I am working as a Senior Web Developer here at SIS Certification.

I have been working here with SIS Certification for past 2 years..I would like to thank Mr Arunendra Dvivedi (MD) for supporting me throughout my journey.

After joining SIS Certification I have developed many more skills, like before joining the organization I was only focusing on web developing but after being the part of the organization I have worked on different kinds of projects which I thought I would never be able to make.

I really love the work culture of the organization.

After joining the organization I have grown personally and professionally as well.

The organization has helped me a lot and has provided me with a lot of opportunities.

I am really glad to work here and be a part of this wonderful organization .
