● Director Message

I am delighted to share with you that last month marked a momentous occasion for our organization as we celebrated our 10-year journey on 24th May 2023 in the ISO Industry. This significant milestone represents a decade of dedicated service, unwavering commitment, and invaluable partnerships that have propelled us to where we are today.

Over the past decade, our ISO certification has served as a testament to our dedication to meeting internationally recognized standards and providing exceptional products and services to our clients. It has been a journey of growth, learning, and collective effort from each and every one of you. This milestone would not have been possible without the hard work, dedication, and expertise of our incredible team. Your commitment to upholding the principles of ISO and your relentless pursuit of excellence has been the driving force behind our success.

The compliance to ISO/IEC 17021 and related standards has been a catalyst for continuous improvement within our organization. It has enabled us to streamline processes, enhance efficiency, and ensure consistent quality across all our operations. It has not only brought us closer to our customers but has also opened doors to new opportunities and markets.

Moving forward, let us remain steadfast in our commitment to the principles of ISO. Let us continue to embrace a culture of continuous improvement, innovation, and customer satisfaction. Together, we will continue to raise the bar, exceed expectations, and be recognized as a leader in our industry. I want to express my deepest gratitude to each member of our team, our partners, and our clients for their unwavering support and trust throughout this journey. Your dedication and loyalty have been invaluable in our pursuit of excellence.

Thank you for being an integral part of our journey. Your trust, support, and partnership have been invaluable to us. We look forward to many more years of growth and share accomplishments.

INFANION™

INFANION Testimonial for ISO 27001:2013 and ISO 9001:2015

We are proud to share our testimonial for achieving ISO 27001:2013 and ISO 9001:2015 certifications. These certifications have been instrumental in transforming our organization and enhancing our commitment to information security and quality management.

The ISO 27001:2013 certification signifies our dedication to safeguarding sensitive information and protecting the confidentiality, integrity, and availability of data. Through a comprehensive assessment of our information security practices, we have implemented robust controls and processes that ensure the highest level of security for our stakeholders, including clients, employees, and partners. This certification has not only enhanced our ability to mitigate risks but has also instilled confidence in our customers regarding the handling and protection of their valuable data.

Additionally, the ISO 9001:2015 certification has been a catalyst for improving our overall quality management systems. By adopting a systematic approach to quality, we have streamlined our processes, enhanced operational efficiency, and consistently delivered products and services that meet or exceed customer expectations. This certification has enabled us to establish a culture of continuous improvement, where feedback and data-driven decision-making play a central role in optimizing our operations and enhancing customer satisfaction.

We would like to express our gratitude to the dedicated team that worked tirelessly to achieve these certifications. Their commitment, expertise, and collaborative efforts have been pivotal in successfully implementing the requirements of ISO 27001:2013 and ISO 9001:2015 across our organization. We are proud of their achievements and the positive impact it has had on our business and stakeholders.

*Furthermore, we would like to acknowledge the certification bodies (**SIS certifications**) and auditors who conducted thorough assessments and provided valuable guidance throughout the certification process. Their professionalism, expertise, and adherence to international standards have ensured the integrity and credibility of our certifications.*

Overall, attaining ISO 27001:2013 and ISO 9001:2015 certifications has been a significant milestone for our organization. It demonstrates our unwavering commitment to information security, quality management, and continuous improvement. We believe these certifications will not only differentiate us in the market but also serve as a testament to our dedication to excellence and our customers' trust.

Sincerely,

Krishna Pandit

Head of Testing and Business analysis, Security officer and Management representative
